Preschool

Room 4

In this class, children learn about God in a way that celebrates how much they are loved.

Rotational Sunday School

Room 5

Preschool through 3rd grade

Children meet at "The Gathering" where they are introduced to a theme each week. They rotate to a different station such as storytelling, art, music, games, science and cooking, where they encounter the theme in different ways at each station. The current unit is *Peacemakers*, which explores real stories of people who bring peace and justice to all God's people.

4th and 5th Grade Study

Room 3

Our current study, *Discipleship Jr.*, teaches kids ages six to nine about the character of God while they learn how to apply biblical principles to their everyday lives—and have fun too!
